In reply to the Notice to Corrected Application Papers *Filing Date Granted* dated April 29, 2004 (copy enclosed), Applicants respectfully submit that Figures 6 and 10 of the above-identified application, enclosed herewith, were in fact deposited in the United States Patent and Trademark Office (PTO) with the above-identified non-provisional application papers filed January 21, 2004. As evidenced by the enclosed copy of the PTO date stamped post card receipts (EXHIBIT A), 14 sheets of Drawings (Figs. 1-18), along with the non-provisional application, executed Declaration, Submission of Assignment, Information Disclosure Statement, Form PTO-1449 and copy of each of the listed documents, are indicated as having been received by the PTO.

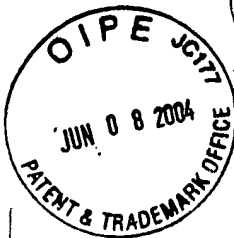

In addition, attached as EXHIBIT B are copies of the originally filed drawing sheets showing that Figure 5 and **Figure 6** were in the same page, and Figure 9 and **Figure 10** were in the same page.

Accordingly, Applicants submit that they have established receipt in the PTO of Figures 6 and 10 and request the withdrawal of the Notice of Omitted Items with respect to Figures 6 and 10.
